

Toshiba Notebook Options & Services Guide Summer 2007

THE NEW TOSHIBA DYNADOCK UNIVERSAL PORT REPLICATOR

The Toshiba Dynadock is an advanced docking station for Notebooks with a USB 2.0 port. It allows you to connect your Notebook to a monitor, network cable and other essential USB PC accessories with a single USB connection. The Dynadock can be set to 'mirror mode', or 'extend mode', if you wish to see the same, or additional content on separate displays. The design is functional, yet stylish, with a vertical design to be space efficient, with easy access for connecting USB devices and headsets. It is also equipped with a 7.1 surround sound S/PDIF port, should you wish to connect a digital surround sound speaker system.

See page 14 for compatibility details

PA3541E-2PRP VGA Version Interfaces: 6x USB, 1x 10M/100M LAN, 1x VGA, 1x Mic In, 1x Headphone Out, 1x S/PDIF Out and 1x Serial. Resolution: up to SXGA (1280 x 1024), 24-bit colour, AC powered. Supports 7.1 Ch audio via S/PDIF, Front USB ports supply power even if the PC is off. Supports hot plug function.

PA3542E-2PRP DVI Version Interfaces: 6x USB, 1x 10M/100M LAN, 1x DVI, 1x Mic In, 1x Headphone Out, 1x S/PDIF Out and 1x Serial. Resolution: up to UXGA (1600 x 1200), 24-bit colour, AC powered. Supports 7.1 Ch audio via S/PDIF, Front USB ports supply power even if the PC is off. Supports hot plug function.

Adapters & Powercords

Toshiba's range of Universal AC Adapters and Powercords can be used anywhere in the world with the appropriate AC plug adaptor. Keep an extra AC Adaptor and Powercord at home, in the office, or when travelling, to recharge your battery pack. Toshiba AC Adapters and Powercords are of the same quality, reliability, and specification as the original Toshiba components included with your Notebook.

**Car Adapters**

The advanced protection features of Toshiba Car Adapters provide perfect power protection for your Notebook. With a selection of different output Adapters, input under and over-voltage protection, short circuit protection, constant output current limitation and over-temperature shutdown with auto restart, these Adapters are designed to fit a wide variety of Toshiba Notebooks.

Battery Charger P/N: PA3091E-1CHG

With the Toshiba Battery Charger, you can have multiple, ready-to-use batteries available for mobile use. The charger supports a wide variety of Notebooks and is ideal when you need to run your Notebook off battery power for very long periods.

**High Capacity Battery** P/N: PA3400U-1BRS

Always travelling? Additional Toshiba batteries provide the power you need when you are on the go. Add extended power capabilities to your Notebook with an additional battery, or a High Capacity Li-Ion battery pack. You can also add long life power capabilities by snapping a Slice Expansion battery on to the bottom of your Notebook using the Toshiba docking connector. All Toshiba batteries are of the same quality and reliability as the original Toshiba Battery Pack included with your Notebook.

**Carry Case - Value Edition** P/N: PX1181E-1NCA

Perfect safety through a reinforced frame. Style, storage and protection for your Toshiba Notebook. Cushioned Notebook compartment. Additional front pocket for mobile accessories. Metal fittings.

Main Features

Shoulder strap; 600D Polyester/Dobby Nylon; black; lightly cushioned.

Dimensions

- Weight: 0.8 kg

**Business Case** P/N: PX1183E-1NCA

Quality Notebook carry case in durable nylon. One section for the Notebook and a second section for documents. On the side is a pocket for an AC Adapter and other accessories.

Main Features

Shoulder strap; 600D Polyester/Dobby Nylon; black; High-Density Foam (HDF).

Dimensions

- Weight: 1.4 kg

**Envoy Carry Case** P/N: TP09CC-NYL

Discreet, stylish, protective briefcase. The Envoy's simple, stylish design, provides plenty of room for documents and accessories. So there's no need to compromise on your Notebook's protection with this cost effective briefcase. Now updated with an improved handle providing extra comfort.

Main Features

Shoulder strap; Nylon; black; TechAir; life time warranty.

Dimensions

- Weight: 2.0 kg

Advanced Business Carry Case P/N: PX1182E-1NCA

Versatile Storage - 2 main compartments. Workstation with compartments for mobile accessories. Cushioned Notebook compartment. Compartments for documents and accessories. Dedicated AC Adaptor compartment for fewer scratches.

Main Features

Shoulder strap; N800 x T600 Nylon/Dobby Nylon; black; High-Density Foam (HDF)

Dimensions

- Weight: 1.6 kg

**Business Traveller Trolley Case** P/N: PX1196E-1NCA

Integrated telescopic handle and easy-roll wheels. Document compartment with slots and storage room for documents. A Notebook case to carry, or use as shoulder bag.

Main Features

Colour: black; material: 1680D Ballistic Nylon Cushioned; lockable Notebook compartment; workstation for mobile accessories; separate compartment for power supply units and cables; exchangeable easy-roll wheels; shoulder strap.

Dimensions

- Weight: 3.2 kg

**17" XXL Case For up to 17" Notebooks** P/N: PX1187E-1NCA

Generously dimensioned, this lockable case accommodates Notebooks up to 17". Made of Dobby Nylon with high protection High-Density Foam cushioned Notebook compartment, it includes a separate compartment for power supply units and cables, and front pocket with holders for pens and mobile accessories. Includes a comfortable shoulder strap and trolley fastening strap.

Main Features

Shoulder strap; 1260D Nylon/Dobby Nylon; black; High-Density Foam (HDF)

Dimensions

- Weight: 1.5 kg

**Shoulder Bag - Blue Ocean** P/N: PX1311E-1NCA

Style, storage and protection for your Toshiba Notebook. Cushioned Notebook compartment and separate compartment for documents. Two additional front pockets for mobile accessories. Adjustable comfortable shoulder strap.

The Toshiba Shoulder Bag makes travel a pleasure, on your scooter, bicycle, or by car.

Main Features

Cushioned Notebook compartment; compartment for documents; two additional front pockets for mobile accessories; adjustable cushioned shoulder strap.

- Material: 600D Polyester (210D Nylon inside)

Dimensions

- 400 mm (W) x 150 mm (D) x 330 mm (H)
- Weight: 0.9 kg

**Compact Case (extra protective material)** P/N: PX1185E-1NCA

Style, storage and protection for your Toshiba Notebook. Perfect safety through reinforced frame and EVA panel. High-quality material. Lockable, cushioned Notebook compartment. Comfortable, retractable handle. Light as a bag, functional as a mobile solution.

Main Features

Cushioned lockable Notebook compartment; front pocket for mobile accessories with holder for pens; mobile phone; business cards etc.; comfortable shoulder strap; Notebook-Strap; high-quality zipper.

- Material: N800 x T600 Nylon / Dobby Nylon

Dimensions

- 440 mm (W) x 160 mm (D) x 330 mm (H)
- Weight: 1.7 kg

BACKPACKS

Backpack - Blue Ocean P/N: PX1307E-1NCA

Style, storage and protection for your Toshiba Notebook. Cushioned Notebook compartment and separate compartment for documents. Additional front pocket for mobile accessories. Comfortable shoulder straps and back cushioning. A Toshiba Backpack makes transport a pleasure, on your scooter, bicycle, or by car.

Main Features

Cushioned Notebook compartment; compartment for documents; additional front pocket for mobile accessories; adjustable cushioned shoulder straps; back cushioning.

- Material: 600D Polyester (210D Nylon inside)

Dimensions

- 470 mm (W) x 150 (D) x 330 mm (H)
- Weight: 0.9 kg

Backpack P/N: PX1184E-1NCA

The Toshiba Backpack is a smart black nylon backpack for your Notebook. It has plenty of room for documents and a separate outer pocket that fits your every day accessories.

Main Features

Backpack straps; ballistic Nylon/Dobby Nylon; lightly cushioned.

Dimensions

- Weight: 0.7 kg

SHOCK RESISTANT CARRY CASES

Delegate II Carry Case P/N: TP09CC-ABS

Ultimate protection and security. This robust case offers double protection against damage, featuring a rigid ABS shell and air-cell protection technology. Strong, yet lightweight, the Delegate II has ample room for your portable printer, documents and accessories.

Main Features

Shoulder strap; nylon; black; TechAir and ABS panels; life time warranty.

Dimensions

- Weight: 2.2 kg

Ambassador Carry Case P/N: TP09CC-LTH

Versatile Storage - 2 main compartments. One for the Notebook and one for mobile accessories. Cushioned Notebook compartment. Compartments for documents and accessories. Dedicated AC Adaptor compartment for fewer scratches.

Main Features

Shoulder strap; leather; black; TechAir; lifetime warranty.

Dimensions

- Weight: 2.7 kg

USB 2.0 Port Replicator II (UK) with Network port P/N: PX1173U-1PRP

Replicates common ports in a compact design. Connect all your main peripherals to one hub. Brings hard to reach ports/cables to your Notebook with just one connection cable. Easy to install and use, this reduces cable clutter, wear-and-tear on your Notebook's ports and the cost of buying separate hubs, adapters and converters. Compact, space saving design.

Main Features

4 USB 2.0 ports; 2 PS/2 ports; 1 RS232 serial port; 1 USB 2.0 LAN port supporting 10/100 Mbps transfer rates; USB 2.0 A to B cable; AC Power Adaptor (DC 5V/3A).

Express Port Replicator P/N: PA3508E-1PRP

Connect quickly and easily to a full complement of ports. Simply place the Notebook in the guide lugs and snap it into place to connect to your monitor, network cable and all your essential USB PC accessories. It even charges the battery while you work. The Toshiba Express Port Replicator avoids plugging and unplugging several cables each time you work at your desk, saving time and wear-and-tear on your Toshiba Notebook. This great value product also includes an AC Adaptor and Powercord.

Main Features

4 x USB 2.0; Parallel / Serial Ports; line in/out RGB / DV; LAN; DC in; modem; Kensington lock; RoHS compliant; IEEE 1394.

Basic USB Keyboard UK English - black P/N: PX1252E-1DAC

Spill-resistant and with a lifecycle of over 10 million keystrokes, this high quality keyboard is designed to take the knocks and spills of everyday office life. It has a soft touch, tactile keystroke making typing comfortable and quiet.

Main Features

Interface: USB 2.0

Multimedia Keyboard UK English - silver/black P/N: PX1253E-1DAC

High quality keyboard with a spill resistant membrane, 19 pre-defined 'hot keys' for one touch access to multimedia, the Internet and other user-definable applications. The tactile response of the keyboard makes typing easy and 'click' free, whilst providing positive feedback. Ergonomically designed shape with a detachable palm rest for optimum wrist comfort.

Main Features

19 pre-defined hot keys (from left to right): back; forward; stop; refresh; search; favourites; web/home; mail; mute; sleep; VOL-; VOL+; play/pause; stop; previous track; next track; media; my computer; calculator.

Interface: USB 2.0

Ergonomic wireless laser mouse / presentation remote control with laser pointer P/N: PX1215E-2NAC

A wireless laser mouse and pointer you hold like a pen! Driver-free plug & play. Simply connect the charger to a USB port on the Notebook. With 1.000 dpi true optical resolution and patented optics, this device can be operated on soft and curved surfaces. Built into the mouse is a page up/page down presenter function and laser pointer; a must for any presenter.

Main Features

Benefits: ergonomic pen styling reduces wrist strain; can be used to draw graphics; doubles up as presentation pointer; works with any make of Notebook with USB port.

Dimensions

• 57 mm (W) x 9 mm (D) x 18 mm (H)

• Weight: only 35g

USB Optical Scroll Wheel Mouse P/N: PX1324E-1NAC

This high tech USB Optical Mouse uses advanced optical technology, is more accurate and faster than other mice and will work on most surfaces.

Main Features

Benefits: ergonomic design for comfortable use; fast and accurate; fits easily into Notebook carry case; works with any Notebook with USB port.

Interface: USB 2.0

**Optical Scroll Wheel Mouse** P/N: PX1191E-1NAC

A light, stylish and compact optical scroll wheel mouse that is perfect for daily use, or when travelling. Ergonomically designed to fit right and left hand.

Fully compliant with USB 2.0 and 1.1 specifications

Easy set up, just plug and play.

Main Features

USB Optical Scroll Wheel Mouse

Dimensions

105 mm (W) x 60 mm (D) x 35 mm (H)

**USB Voice-Over-IP Phone** P/N: PX1214E-2UPH

Make free of charge Internet phone calls* from anywhere in the world. Using the most popular VoIP (Voice over Internet Protocol) software, such as Skype, Yahoo Messenger, and MSN Messenger**. It's as easy to use as a mobile phone. With built-in speaker and microphone, this USB powered phone features echo-cancellation for better sound quality and an LCD to display caller ID, contact list and calling list.

Main Features

Built-in speaker and microphone; echo-cancellation for better sound quality; USB-powered; LCD to display caller ID; contact list and calling list; 4 different ringtones.

*Between VoIP Phone users **Can be downloaded from the Internet.

**Mini T-Cam** P/N: PX1247E-1NWC

The USB Webcam with a flexible base. Ideal for mobile use, CMOS image sensor with 0.25" 4 layer glass lens, this USB 2.0 camera comes with a clip, stand and USB cable.

Main Features

USB 2.0 interface; CMOS image sensor; still image/video resolution: 640 x 480 pixel; 24bit true colour; 0.25" 4 layer glass lens; Image transmission speed: VGA (640 x 480): 15 F/s CIF (352 x 288); 30 F/s QCIF (176 x 144); 30 F/s; minimum illuminance: 2.5 Lux 4 F/s.

System Requirements

Windows® 2000/XP, Pentium 500 MHz, 128 MB RAM, USB 2.0 port, 20 MB free hard disk space, CD-ROM drive, monitor resolution 1024 x 768, 24bit colour.

Not compatible with Windows Vista®

**USB DVB-T TV Tuner** P/N: PX1211E-1TVD

Free-to-view DVB-T compliant digital terrestrial TV tuner and Personal Video Recorder. Transform your PC into a digital TV with one USB connection and watch 'free-to-view' Digital Video Broadcasts (DVB-T). Offering one click, immediate and multi-session recording, EPG (Electronic Program Guide) support, Channel Auto Scan and Favourites List. This USB DVB-T TV tuner comes with a standalone mini antenna as well as a fixed antenna adapter.

Main Features

USB 2.0 interface; window; full screen and special DVT Desktop Wallpaper; 4:3 and 16:9 Video Aspect Ratio Support; high performance Time-Shifting PVR function; MPEG 2 video recording for further editing; TV Video Photo Snapshot.

Dimensions

95 mm (L) x 12 mm (H) w/USB cover

Not compatible with Windows Vista®

**USB Hybrid TV Tuner** P/N: PX1256E-1TVH

Watch Digital Video Broadcasts (DVB-T), or cable/analogue TV on your PC when you're on the move, or at home by plugging the device into any USB port. Use this tuner as a Personal Video Recorder to record your favourite programmes using the Time-Shifting Function. Look at what's on using the Electronic Programme Guide & Teletext support. The size of a typical flash memory stick, this TV Tuner will slip easily into the pocket of any Notebook carry case.

N.B. Digital TV works only in areas covered by the DVB-T signal.

Main Features

Includes antenna; MCX-PAL adaptor & remote control; channel auto scan and favourites list; window and full screen display; 4:3 and 16:9 video aspect ratio support; worldwide video standards: NTSC; PAL; SECAM; MPEG 2 video recording for further editing; TV video photo snapshot.

Not compatible with Windows Vista®

23 in 1 Card Reader P/N: PX1297E-1NCR

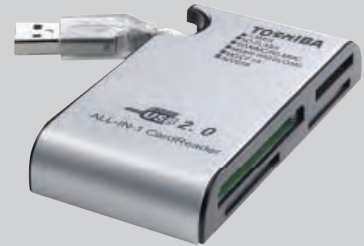

Compact and versatile, this card reader can read and write 23 media types and auto-detects the card type when inserted. It can be slipped easily into a carry case pocket and is powered by the Notebook. Supports: CF™ (II, II Ultra, Extreme) Card, MicroDrive, xD-Picture™ Card, T-Flash Card (adapter needed), Mini SD™ Card (adapter needed), SD™ (Ultra II) Card, HS-MMC Card, MMC Card (2, 4.0), Rs-MMC Card, Memory Stick MagicGate (Pro, Duo), HS Memory Stick MagicGate (Pro, Duo), Memory Stick (Pro, Duo, Pro Ultra)

Main Features

LED indicator lights; USB 2.0 Plug & Play

Dimensions

450 mm (W) x 385 mm (D) x 380 mm (H)

**Numeric Keypad** P/N: PX1257E-1DAC

Ideal for spreadsheet users, this ergonomically designed numeric keypad simply plugs into the USB port of your Notebook. Slim and lightweight, it can be easily slipped into a carry case pocket.

Main Features

USB 2.0 interface; Plug & Play

Dimensions

112 mm (W) x 75 mm (H) x 15 mm (D)

**Ergo-Q 330 – Mobile Notebook Stand** P/N: PX1208E-1PRP

Place your Notebook screen at an ergonomic level for reduced neck strain and greater comfort. Lightweight and completely foldable, the Ergo Q330 Notebook stand turns your Notebook into an ergonomic workstation anywhere you go. In the office there's now no need for an external monitor, so you can save money, desk space and conform to Health and Safety Guidelines.

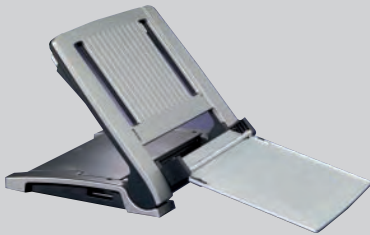

Main Features

Rugged plastic with anti-slip feet; Six height settings for optimal viewing angle; Integral document holder; pivotable for easy Notebook set-up.

Dimensions

- Folded: 228 mm (W) x 310 mm (D) x 13 mm (H)
- In use: 228 mm (W) x 310 mm (D) x 113-193 mm (H)
- Document holder angle: 20° - 40° (6 angles)
- Weight: 485g

Ergo-T 340 Notebook Stand P/N: PX1192E-1PRP

The Ergo-T 340 Notebook Stand turns your Notebook into an ergonomic workstation. It positions your screen at an ergonomic level, thus reducing neck strain, improving comfort and helping you increase your productivity. This stand also has a built-in (patented) document holder and universal facility to integrate any advanced port replicator (docking station), or USB hub to preconnect all your peripherals. In the office there's now no need for an external monitor, so you can save money, desk space and conform to Health and Safety Guidelines.

Main Features

Pivotable document holder for easy Notebook set-up; cooling sleeves and ribs, prevent heat built-up; cable management for clean workplace set-up; unique security device; swivel base allows multiple viewing angles; sturdy; secure fit for Notebooks up to 17 inch widescreen.

Dimensions

- Folded: 325 mm (W) x 310 mm (D) x 85 mm (H)
- In use: 325 mm (W) x 310 mm (D) x 85-263 mm (H)
- Document holder angle: 3° - 52° (6 angles)
- Weight: 2.8 Kg

Slim MicroSaver P/N: PX1172E-1NAC

Ready to use straight from the box, the Slim MicroSaver takes only seconds to install. This theft protection device for your Notebook, comes with a lifetime guarantee. It's available in 'master key' and 'like key' options and there are no additional components to lose. This industrial standard for Notebook security will secure and lock Notebooks, Slim Notebooks, Desktops, Docking Stations, CPU's, TFT monitors and Projectors.

Main Features

Lifetime warranty; Secure; patented locking mechanism

Dimensions

- Length of cable: 1.8 m
- Lock barrel diameter: 17 mm
- Thickness: 45 mm
- Lock barrel length: 25 mm
